Friuli Venezia Giulia

Friuli Venezia Giulia, a land with strong contrasts, where the sea blends with the high mountains, where nature turns into tradition and culture.

We know our land and we want to offer 4 different ways to discover and to appreciate it.

The team building activities and ideas that you can read on this catalog are just a few creative suggestions and can be fully customized to the needs of your group or your customers.

We are specialized in planning and coordination of incentive travels, corporate events, team buildings, meetings and congresses in the whole country.

COLOR COLLECTION

Green experiences. A touch of nature.

Group activities and team buildings in contact with nature and the green that our region offers. Forests, hills, meadows and lakes are the perfect setting for your activities.

Blue experiences. In contact with water.

Sea, lakes, rivers and streams will be the ideal place to organize sports and engaging activities. Pure adrenaline for your group.

Red experiences. The taste of the land.

The wines of our region, the artisan beer, the old coffee ... are just some of the flavors for unique experiences. A special way to know the traditions and history of the region.

Black experiences. The legacy of the past. The perfect way to play with the history of our region! Treasure hunts, workshops and thematic activities to discover the roots of our area.

...and more! At the end of this catalogue you'll find also some ideas of incentive travels in our region!

GREEN
EXPERIENCE
A touch of nature

A close-up photograph of a hand holding a silver compass over a topographic map. The map features contour lines, green areas representing vegetation, and yellow/orange areas representing elevation. The compass has a red needle and a blue face with white markings. A red rope is attached to the bottom of the compass. The overall scene is brightly lit, suggesting an outdoor setting.

GREEN

ORIENTEERING

THE RIGHT DIRECTION

An outdoor game, that can be organized in the woods or in the city center, where the main objective is to reach the destination by moving in an unknown environment, working with the team to take the right decision and using only simple tools such as a compass and a map. The activity can also be done at night in a location to be agreed with the client.

Different locations

A person wearing a striped shirt, light-colored pants, a blue harness, and an orange helmet is climbing a tree trunk. They are using ropes and pulleys attached to the tree. The background is a dense forest of tall trees.

GREEN

ADVENTURE PARK

ENJOY THE WOODS!

Outdoor sport activities, specifically designed to increase confidence, improve communication, foster creativity, encourage collaboration and motivate the team to achieve the common objectives.

Trails in suspension between the trees. Tibetan bridges, suspended walkways, nets, ropes and pulleys. 10 levels of difficulty. high-impact activity suitable for everyone that require balance, coordination and the desire for adventure.

Forni di Sopra

A person wearing a white and red archery uniform and a blue bucket hat is shown from the side, aiming a bow. In the background, several archery targets are visible on a grassy field under a clear blue sky.

GREEN

ARCHERY GAMES

AIM AT THE RIGHT TARGET

Archery Games – Action Bows and Arrows is the “new” paintball that can be played almost anywhere in our region!

1 point is awarded for shooting an opposing player with an arrow (all body is a hit). 2 points are awarded for knocking a spot completely out of the opposing teams target or catching an opponent’s arrow in mid-flight! Each player will be equipped with bow, safety mask and “non-lethal” arrows.

Buttrio

A glass of water with a blue overlay and diagonal lines. The glass is filled with water, and a stream of water is being poured into it from the top, creating a large splash and many bubbles. The background is a solid light blue. On the left side, there is a dark blue vertical bar with several diagonal white lines of varying lengths. The text 'BLU EXPERIENCE' is written in white, bold, sans-serif capital letters, and 'In touch with water' is written in a smaller, white, sans-serif font below it.

BLUE

RAFTING

OVERCOMING THE RAPIDS

The rafting is one sports in contact with nature that consists of descending a river aboard rubber rafts. Overcoming the rapids together requires coordination, concentration and a strong goal orientation. The experience of rafting has a huge emotional impact, joins the group in difficulty and is an opportunity to experience the management of risk and uncertainty. The activity can be done both in sunny and rainy days.

Isonzo

A white fishing boat is shown from a side profile, moving across a body of water. A person in a green shirt and dark shorts stands on the deck. The boat has a cabin and various fishing equipment visible. The background shows a distant shoreline with greenery under a clear sky.

BLUE

FISHING TOUR

ONE DAY IN THE SEA

Your working team will be the crew, the skipper your manager: learn the value of collaboration and sharing of common objectives in this offshore experience in which you will work together to identify the route, choose the method of fishing and drop the nets to complete your mission. Fishing boats and traditional boats will be used for the activities. In case of adverse weather conditions it will be offered an alternative team building.

Grado and Marano

A full-page background image showing a sailboat race on the Adriatic Sea. The sun is low on the horizon, creating a warm, golden glow. Several sailboats with white sails are visible in the distance, and a larger sailboat is in the foreground, partially obscured by the text box. The sky is a clear blue, and the water is a deep blue with white foam from the boats' wakes.

BLUE

SAILING

BETWEEN THE WIND AND THE SCENT OF THE SEA

The regatta perfectly represents the market competition. The team spirit among the crew, the ability to work with different roles and tasks, the enthusiasm for the victory and the ability to learn the defeat are just some of the objectives you can achieve with this team building. Sailing Boat day will give you the chance to enjoy a pure sailing and swimming adventure and it will be a great company experience. Guided by the captain, you will discover some of the most spectacular sights on the Adriatic Sea of Friuli Venezia Giulia.

RED

WINE CHALLENGE

BETWEEN BARRELS AND VINEYARDS

In this game you'll live a true competition that is based on the five senses (smell, taste, hearing, throat, touch). Unlike a classic tasting, where the rigor is a must, here the goal is to play, stimulating, evoking, compete. The group is divided into teams and after a first phase of technical introduction to wine and his world, managed by a sommelier, the teams will compete in a series of challenges to the last sense.

RED

COOKING CLASS

THE RECIPE FOR SUCCESS

The kitchen is conceived as a laboratory, as a metaphor where the group develops its efficiency and creativity through the preparation of dishes and menus.

The participants, divided into "kitchen brigades" and guided by professional chefs, are taken to experiment with creating more recipes and to work together towards a common goal, and then enjoy together the fruits of their labor. The activity will take place in some of the most fascinating venues of Friuli and can be followed by a gala dinner. We can organize themed cooking class or pastry and chocolate laboratory.

RED

COFFEE ACADEMY

THE RIGHT BLEND

Drinking coffee is a custom. Drink coffee in Trieste is a sacred rite. The link between Trieste and coffee sinks ancient origins. In this activity, in addition to learning the historical roots of the Trieste's coffee, you will visit the production plants and participate in a real coffee tasting in which you will be able to recognize the aromas, the mixtures and the consistency of the various types of coffee.

BLACK EXPERIENCE

The legacy of the past

A background image showing several people's hands and arms as they interact with tablets. One tablet in the foreground displays a map with numerous red location pins. Another tablet in the background shows a street view or similar image. The scene suggests a collaborative activity where participants use digital devices to solve clues or find locations.

BLACK

TREASURE HUNT

CLUES AND FUN TO DISCOVER THE HISTORY

The treasure hunt is a classic that provides entertainment and involvement of all participants. We use Tablet connected to the Net to make the activity dynamic, modern and perfectly manageable in the time. When a team reach a goal we'll ask a photo test in order to send the next clue!

We can organize this activity in the city center, following an historical theme or, as a true travel itinerary, discovering the most beautiful places of the region.

Different locations

A knight in full plate armor is shown in mid-air, having been launched by a catapult. The knight's arm is extended upwards, holding a sword. The background is a bright blue sky with scattered white clouds. The overall scene conveys a sense of adventure and historical immersion.

BLACK

IN THE MIDDLE AGE

STORMING THE CASTLE

Imagine being catapulted back in time a thousand years, to the time of ladies, knights, castles and epic battles with the sword; imagine having to rescue a princess kidnapped by a group of robbers and that, to be able to return from his beloved father, have to face many tests, relying solely on your group. All this is not a dream, but a real adventure to experience the thrill of an ancient atmosphere and increase the cohesion of your corporate team in a fun and different way.

Valvasone

A detailed background image showing a large collection of small, colorful glass tiles and mosaic pieces organized into numerous small white and blue plastic trays. Some trays contain single colors like red, yellow, or blue, while others have mixed colors. In the foreground, there are larger trays with more complex mosaic patterns, including one with a green and white design. The overall scene is a vibrant display of materials for mosaic art.

BLACK

ART CLASS

TILE AFTER TILE MOSAIC SCHOOL

The mosaic school of Spilimbergo is one of the oldest academies of this art. In this workshop each participant, under the expert guidance of a master mosaic artist, will have the opportunity to create their own object and keep it as a souvenir. Tiles of different colors and sizes of glass will be used. Each participant will have an hour and will be constantly followed by our craftsmen so that the finished product is made to perfection. Sample models will be available such as: vases, picture frames, mirrors or small paintings to give inspiration to the creativity of each participant.
